

Falcon 2000 Serial Number 82 Option Service Bulletin Compliance List:

F 2000 0010	Improved system for holding nose landing gear doors open at high speeds
F 2000 0015	Reinforcement of anti-icing air discharge louvers
F 2000 0017R1	Passenger door frame improvement to noise insulation
F 2000 0019	Thrust Reverse system activation
F 2000 0023 R1	Reinforced pipe in the turbo compressor downstream air system
F 2000 0026	Improved access to fuel filter
F 2000 0044	Replacement of fin anti collision lights
F 2000 0051	New alternator ventilation outlet seal
F 2000 0052	Easier removal of tail cone
F 2000 0053	Nose landing gear well ceiling door noise level reduction
F 2000 0063R5	RVSM Capability
F 2000 0070R1	In flight weather radar alignment adjustment capability
F 2000 0073	Capability of installing an electronic checklist with a control panel on the cockpit pedestal
F 2000 0075	Improved pilot & copilot seats
F 2000 0078	Improved engine vibration monitoring computer
F 2000 0081	Improved overvoltage protection through ground receptacle
F 2000 0087	Improved maintenance on baggage compartment door lighting
F 2000 0088	Cockpit jump seat with 16G loading capability
F 2000 0090	Improved draining provisions for lower auxiliary door
F 2000 0093	New orientation for the toilet flushing port
F 2000 0099R1	Installation of Mach Hold Option – auto flight
F 2000 0105	Centralized Maintenance System installation of an RS232 output onboard interface
F 2000 0107	Installation of brake units with thicker heat sinks
F 2000 0119R1	Navigation of Version 5.1 Collins Avionics
F 2000 0134R1	8.33 KHZ channel spacing
F 2000 0138	Flight recorder power supply addition of standby power
F 2000 0142	Improved guiding and operation of main entrance door
F 2000 0145R1	Honeywell HG2001GC03 IRS with new software
F 2000 0148	Drain hole in external passenger door handle
F 2000 0150	Digital battery temperature indicator
F 2000 0157	GHS CAT III with Collins V5.1 or V6.1 Avionics “HGS Flight Dynamics Step 4 Software”
F 2000 0186	Increase in Maximum Structural Weights
F 2000 0188R1	Inspection and protection wiring assemblies
F 2000 0191	TCAS Collins TTR 920 Change 7 Computer
F 2000 0214	New system preventing standby pump selector switching from flight position
F 2000 0216R1	New EGPWS Computer for Collins Avionics Version 6.X
F 2000 0227	Flight Data Recorder System – Installation of a CTS quick access recorder (QAR)
F 2000 0228	Opening window secured closing
F 2000 0252	Air Bearing Turbo cooler installation
F 2000 0258R1	Deflectors added to engine air intake discharge louvers
F 2000 0281	Warning panel activation of the APU GEN alarm in the ground configuration and throttles below 12.5
F 2000 0303	New drinking water filter in front galley
F 2000 0307	Pilot and copilot seat actuators – protective grill
F 2000 0310	New EGPWS Mod 2 for Collins Avionics Version 6.X
F 2000 0312	ATC with Enhanced Surveillance (MOD 2346,2624, and 2632 installed)
F 2000 0325	FMS V Speeds database for optional max landing weight
F 2000 0335	Modifying the Track 1 and Flap Housings
F 2000 0337	Electric bonding of Whelen Fin Tip Anti-Collision lights
F 2000 0338	Low Rate Option preventing untimely air conditioning cabin alarms
F 2000 0347	Secondary Flight Display Meggitt MK II Installation
F 2000 0348	Improved Electrical Bonding of the rear navigation and anti collision lights
F 2000 0352	Pilot and Copilot Seats roller pin installation improvement
F 2000 0353	Installation of LED wing navigation lights
F 2000 0354R1	Flap Extension – slat micro switch transient voltage protection
F 2000 0355	Placards for toilets applicable antifreeze products
F 2000 0357	Upper and lower valance panel improvement with ALC, EMTEQ lighting
F 2000 0359	Heat exchanger hopper assembly reinforcement
F 2000 0364R1	Recommended Maintenance Schedule extension of “A” & “B” inspection intervals
F 2000 0369	Pilot and Copilot seats improved access to the crew life vests
F 2000 0372	Entryway emergency lighting lens cover
F 2000 0379	Addition of placards on locking handles
F 2000 0382	Installation of protective wraps on braking system flexible hoses
